

Course Offer Guide

The Course Offer Guide is an integrated tool within the UniSQ Handbook designed to help students plan their studies with confidence. It provides a clear overview of:

- Course availability across the academic year (e.g. Trimester 1, Block 2).
- Delivery mode for each course, whether online, on-campus, or external.
- Campus offerings, showing where each unit is available.

This guide supports informed decision-making by allowing students to explore flexible study options and align their enrolment with personal and academic goals.

Export Information

Details in this file are accurate as at the date of export/printing and are subject to change during the year and from year to year. This document is provided to enable users to make notes and annotations, as needed.

Contents within the Course Offerings section of this document are a condensed version of the UniSQ Handbook. For detailed information, check <https://handbook-guide.unisq.edu.au/program/2025/BEED>.

Once exported, UniSQ will no longer accept this document as a source-of-truth for curriculum content. Users must check with source systems to confirm the accuracy of data after export.

Program Rules

The Bachelor of Education Early Childhood (BEED) program is comprised of 32 units at undergraduate level (AQF Level 7). The program consists of 31 x courses plus 1 x Primary Curriculum Specialisation course (total 32 courses).

All students must provide evidence of an attempt at LANTITE by the end of their first year, which is measured by 8 courses/units of study. For First Nations language speakers, recognition of First Nations language proficiency by a relevant cultural authority is an acceptable alternative standard. Additionally, students are made aware of this requirement through block announcements on designated first year StudyDesks, Orientation programs and student notifications when ACER test windows become available.
