

## Course Offer Guide

The Course Offer Guide is an integrated tool within the UniSQ Handbook designed to help students plan their studies with confidence. It provides a clear overview of:

- Course availability across the academic year (e.g. Trimester 1, Block 2).
- Delivery mode for each course, whether online, on-campus, or external.
- Campus offerings, showing where each unit is available.

This guide supports informed decision-making by allowing students to explore flexible study options and align their enrolment with personal and academic goals.

## Second major, minor and/or elective courses from other UniSQ undergraduate programs:

Students may select a major, minor and/or elective courses from other UniSQ undergraduate programs (each major below lists the complementary options). These have been established in collaboration with other schools to add value and align with career outcomes in priority areas. Students are encouraged to consider the recommended combinations in selecting second majors, minors, and/or electives. Students may select a second major, minor, and /or electives from UniSQ undergraduate programs not listed below, subject to meeting prerequisite requirements and with the approval of the Program Director. Typically, students tend to consider a second major, minor or elective courses from the Bachelor of Business, Bachelor of Creative Industries, Bachelor of Information Technology or Bachelor of Science or Bachelor of Science (Psychology).

Note: Bachelor of Arts graduates also have the option of completing an Honours year in the Bachelor of Arts (Honours) program. An Honours degree is recognised internationally as extending intellectual depth and skills in research, analysis and writing. To discuss entry requirements and eligibility, students should contact either the Bachelor of Arts or Bachelor of Arts (Honours) Program Directors.

Please note that only the Artificial Intelligence and Data Science (Extended) and English Literature majors are offered on campus at Springfield.

Please note that only the Artificial Intelligence and Data Science (Extended), Drama, Legal Studies, and Psychology majors are offered on campus at Toowoomba.
