

Course Offer Guide

The Course Offer Guide is an integrated tool within the UniSQ Handbook designed to help students plan their studies with confidence. It provides a clear overview of:

- Course availability across the academic year (e.g. Trimester 1, Block 2).
- Delivery mode for each course, whether online, on-campus, or external.
- Campus offerings, showing where each unit is available.

This guide supports informed decision-making by allowing students to explore flexible study options and align their enrolment with personal and academic goals.

Export Information

Details in this file are accurate as at the date of export/printing and are subject to change during the year and from year to year. This document is provided to enable users to make notes and annotations, as needed.

Contents within the Course Offerings section of this document are a condensed version of the UniSQ Handbook. For detailed information, check <https://handbook-guide.unisq.edu.au/program/2026/DETS>.

Once exported, UniSQ will no longer accept this document as a source-of-truth for curriculum content. Users must check with source systems to confirm the accuracy of data after export.

Program Rules

Students can commence with MDS1001, MDS1002, or DIP1081, but it is recommended they start with MDS1001. Students can only enrol in the remaining courses once these courses are complete.

Students who successfully complete this program are eligible to apply for direct entry into a range of UniSQ undergraduate degrees. Courses studied in this diploma program could also count as credit toward a future undergraduate program. The number of units of credit will depend on the major and courses studied with a maximum of eight credits being available.
