

Course Offer Guide

The Course Offer Guide is an integrated tool within the UniSQ Handbook designed to help students plan their studies with confidence. It provides a clear overview of:

- Course availability across the academic year (e.g. Trimester 1, Block 2).
- Delivery mode for each course, whether online, on-campus, or external.
- Campus offerings, showing where each unit is available.

This guide supports informed decision-making by allowing students to explore flexible study options and align their enrolment with personal and academic goals.

Export Information

Details in this file are accurate as at the date of export/printing and are subject to change during the year and from year to year. This document is provided to enable users to make notes and annotations, as needed.

Contents within the Course Offerings section of this document are a condensed version of the UniSQ Handbook. For detailed information, check <https://handbook-guide.unisq.edu.au/program/2027/BMSP>.

Once exported, UniSQ will no longer accept this document as a source-of-truth for curriculum content. Users must check with source systems to confirm the accuracy of data after export.

Program Rules

This program comprises 24 units.

Progression to the UQ Doctor of Medicine

Students must successfully complete the 16-unit UQ Pre-Medicine Pathway component of the Bachelor of Medical Science within two years.

Students who successfully complete the 16-unit UQ Pre-Medicine Pathway component, achieve a minimum cumulative GPA of 5.0, and satisfy the entry requirements for the UQ Doctor of Medicine (MD) are eligible for guaranteed progression to the MD.

Completion of the Bachelor of Medical Science

Students progressing to the UQ Doctor of Medicine will be awarded credit for successful completion of MEDI7100 towards the Bachelor of Medical Science.

Students who do not meet progression requirements following completion of the 16-unit UQ Pre-Medicine Pathway component, or who elect not to continue into the UQ Doctor of Medicine, must complete the prescribed Bachelor of Medical Science Year 3 program at UniSQ to satisfy the requirements of the award.

Exit Awards

Students who successfully complete 8 units and discontinue the program may be eligible to exit with the Diploma of Medical Science (DMSP).

Students who successfully complete 16 units and discontinue the program may be eligible to exit with the Associate Degree of Medical Science (AMSP).
